Wednesday (Optional) Wireless Sensor Network Workshop
Wednesday, 21 September 2005
Bechtel Engineering Center Room 120

Time | Speaker/Event / Topic Information
---|---
12:00 | Registration
12:30 | What are the Critical Technologies?  
Wireless? Sensors? Networks?   
State and Needs of the Technologies  
What are the Real Applications?  
Organized by Prof. Kris Pister

15:00 | Break
15:15 | Prof. Ion Stoica  
National WSN TestBed Project Description & Discussion  
Goals, Plans, Logistics, Access, Constraints, Funding

16:30 | Industry Panel: Reactions and Challenges
17:30 | Adjourn
